All Parish Councils in England are required by law to hold an Annual Parish Meeting between March 1 and June 30 each year. The meeting is made up of the local registered electors and is held to discuss 'parish affairs' which have no statutory definition. Parish affairs can be any item or topic that relates to or affects the parish. It is an ideal forum for the parish council to engage with residents and for residents to voice their views and concerns on anything which they consider is important to the people of the parish. The public have a statutory right to attend but only registered electors have the right to ask questions and vote at the parish meeting.
